

1627

6th Century

Formally, the serial numbering of the years did not actually begin until the 6th Century, in the reign of Dionysius Exiguus in the Eastern (Christian) Holy Roman Empire. The sequence of years B.C., or before Christ, was not initiated until more than a thousand years later.

A.D. 1627

1627-1631

1912 Dates. J-BK

Italy
War of the MANTUAN succession.
